

Our Statement of Commitment

to Safeguarding Children and Young People from Abuse and Neglect

everyone's family

The Smith Family is working towards a better future for young Australians in need, by providing long-term support for their participation in education. This statement outlines our commitment to safeguarding children and young people from abuse and neglect as we work with their families and communities. We will:

**provide safe environments;
always act in the best interests of children; and
take action to protect children and other
vulnerable persons from abuse and neglect.**

PROVIDE SAFE ENVIRONMENTS

We take seriously our responsibility to always provide safe environments for the children and young people participating in our programs and activities. We work with communities to ensure we are culturally respectful and inclusive. We have adopted and continue to monitor our compliance with the National Principles for child safe organisations:

1. Child safety and wellbeing is embedded in organisational leadership, governance and culture.
2. Children and young people are informed about their rights, participate in decisions affecting them, and are taken seriously.
3. Families and communities are informed and involved in promoting child safety and wellbeing.
4. Equity is upheld and diverse needs respected in policy and practice.
5. People working with children and young people are suitable and supported to reflect child safety and wellbeing values in practice.
6. Processes to respond to complaints and concerns are child-focused.
7. Staff and volunteers are equipped with the knowledge, skills and awareness to keep children and young people safe through ongoing education and training.
8. Physical and online environments promote safety and wellbeing while minimising the opportunity for children and young people to be harmed.
9. Implementation of the national child safe principles is regularly reviewed and improved.
10. Policies and procedures document how the organisation is safe for children and young people. childsafe.humanrights.gov.au

ACT IN THE BEST INTERESTS OF CHILDREN AND YOUNG PEOPLE

We will always act in the best interests of children and young people who are our primary consideration.

This is consistent with Article 3 of the *United Nations Convention on the Rights of the Child*, which Australia ratified in 1990.

ACT TO PROTECT CHILDREN AND OTHER VULNERABLE PERSONS

We will always act to protect children and other vulnerable people from physical abuse, emotional abuse, sexual abuse, neglect and witnessing family and other violence. We act on this commitment by implementing our Child Protection Framework, with which all our team members and volunteers must comply.

The Framework is available on our website, at thesmithfamily.com.au. We introduce families to the Framework when we begin working with them, and at least once per year after that we refer them to our Information for Families about Child Safety and Protection.
