Hello from Rod & Heather...

"Hello! We're Rod and Heather. We decided to leave a gift in our Will to support Australian children through The Smith Family because **we believe every child deserves the chance to succeed, no matter their circumstances.**

As parents — and with Heather's experience as an educator — we know that education is the very best way to help children build independent and thriving futures for themselves. Being part of Tomorrow's Family

connects us with others who share these values.

It is truly rewarding to know our gift will help break the cycle of disadvantage and give future generations a real opportunity to thrive.

We feel proud to be part of this wonderfully kind and caring community, and **we hope you'll consider joining us in making every tomorrow better for Australian children."**

Working together to make every tomorrow better.

By joining Tomorrow's Family, you'll become part of a generous community of like-minded people leaving a gift in their Will to help more young Australians break the cycle of disadvantage through the power of education.

"I was the only one in my family to go to university. As I'm in a comfortable position now, I want to share that privilege. Leaving a gift in my Will is such an easy thing to do — and it gives me great comfort to know I'll be helping young people reach their full potential for years to come."

As a valued member of Tomorrow's Family, you will...

Create lasting, generational change

A gift in your Will helps young Australians to get the most from their education so they can build a better future for themselves and have a real chance to break the cycle of poverty.

Support programs that change lives

Education is a powerful change agent. Your legacy will support out-of-school education and mentoring programs with a proven track record of helping children build confidence, stay engaged in their learning, and create bright futures for themselves.

and you will...

Give children living in disadvantage a fair start

1 in 6 Australian children live in poverty.¹ Your gift can help level the playing field so children have the same chance to learn, grow and reach their full potential, no matter their circumstances.

Help build a stronger Australia

When more children are given equal learning opportunities, life outcomes improve and the benefits ripple outwards, creating stronger communities.
