

Instructions

Resource Activity Glossary

Resource Includes Instructions and Factsheet

Learning Outcome List of terms that may be encountered

Outline To include words used by employers, schools and career development professionals.

User Schools, employers, students and parents

Timing For access by employers at planning stage and to be provided at planning stage to schools but can be used at any time during the Work Inspiration program

Procedure The Glossary Factsheet can be used by any of the stakeholders at any time it would be useful during Work Inspiration.

- Employers might find it informative during the planning process
- Schools might use it during initial planning stage
- Parents (and also students) could refer to it on advice that their student has been selected to participate in Work Inspiration.
