## International Women's Day 2026 Theme: "GIVE TO GAIN"

### PRESIDENT'S MESSAGE

Welcome to our February meeting where we take the opportunity to celebrate International Women's Day and celebrate it under the theme of "Give to Gain". It's a call to action for collective effort to support the advancement of women by highlighting just how much you get out of giving back! VIEW members live this every day. We create opportunities, not just for children in need, but for ourselves and our communities. When we give, we also gain connection and a sense of purpose. Connecting socially with others helps us to stay engaged and improves our wellbeing. Enjoy this day!  
**Kind regards, Cheryl.**
