From the Committee:

- Our guest speaker is Robyn, from Moreton Bay Women's Shed.
- All VIEW clubs are being asked to consider, discuss and vote on 3 **Resolutions**. Through the National Resolution process, we are able to collectively identify and articulate issues that are considered important for influencing social change in Australia.

This year's Resolutions are:

Resolution 1 - Addressing Loneliness and Social Isolation

Resolution 2 - National Education Standards

Resolution 3 - Funding Mental Health Programs for Children

A copy of the information around each Resolution has been **emailed** to members with your lunch reminder. We will consider these over the next two meetings.

Tom Law gave us a highly motivational and engaging presentation at our June meeting.

- ☒ She was born in North Sydney in 1951.
- ☒ As a child she learned ballet and was a Brownie.
- ☒ When she left school she worked for The Sydney Data Centre on the top floor of an obscure building in the CBD. Security guards patrolled the foyer and only one lift stopped on her floor.
