Morning High Tea Finale

The Adelaide Pioneer Support Team organised a Celebratory Morning High Tea, attended by 42 invited VIEW Members and Senior Office Bearers, Past and Present as a Finale for the Club.

Special Guests included Graham Jaeschke, former General Manger of The Smith Family S.A./N.T. and Maggie Rosslee, Community Partnerships Coordinator Remote, from The Smith Family Whyalla Office. Graham had attended Club functions for the last 17 years. The Club has developed a strong partnership with the Whyalla TSF Office, 385 Km from Adelaide, sending personal donations of items needed for their programs and families. Maggie thanked us for our donations and explained how they had been used.

General Manager, VIEW, Maryanne Maher sent a message to us revealing that the Club had raised \$98,116 for The Smith Family. An amazing testimony to all the fund raising initiatives over the years!
