Every two years VIEW members vote on one or more issues of national importance that will be the focus of advocacy and lobbying work for the coming years. These are the VIEW resolutions. Closing date 27th November 2026

The ultimate goal of VIEW Resolutions is to raise issues of local and national importance that matter to women.

From June to November 2026, VIEW Clubs have the opportunity to submit their resolutions for consideration.

Please think about what resolutions our club can put forward.

Nominate a member today. Now due for July, Aug. & Sept.

Member Profile – Elisabeth Weggen

My journey with VIEW started when I first moved into the area.

As I came from the south of the river I knew very few people. Then one day I met Jillian (who at that time was a member of VIEW) at the swimming pool. We got talking, and she encouraged me to come along to one of the meetings. At that time the VIEW club met at Maylands and from the very first meeting I was made to feel very welcome. It was great to meet so many wonderful women to form friendships and with all the same goals in mind. That is, to be able to help children that need some future through education.

Though I have not held a position at our club, I do really appreciate all the work that our ladies do, in organising outings and arranging interesting speakers. So thank you ladies! But mostly I think it is wonderful that as a club we are able to support students and help them with their schooling.

What I thought to be a fantastic moment, was when we went to a graduation ceremony where several students told us about their schooling and their aspirations for the future. They also spoke about their appreciation for the support that The Smith Family had given them and about the difference it had made in their lives.

I am proud that we as the VIEW Club are in a small way, part of their success. – Elisabeth

P.S. Elisabeth is a 10 year member and also delivers our birthday wishes each month.

Happy birthday to our members- Carol L., Coral L., Carol P., Julie V. and Pam B.

If you would like to donate your fuel rebate, consider the Smith Family or your VIEW Club.

Our trade table is a great way to raise funds for our club and thus support our students. All members can contribute to our monthly table. Besides books, please bring plants, jams (listing ingredients) herbs, handicrafts and more. If not sold they will need to go home with you.

AND FINALLY

Our club would like to prepare for the future. Before we know it the election of the 2027 Committee will be upon us. As the club cannot operate without a committee we need to think about who will take the positions when the current committee finish their term. If you would like to do your bit for your club and are not sure, speak to a committee member or better still come along to a committee meeting and see what goes on. You would be very welcome and should you decide to put your hand up, you will get help to take on a task, or work alongside someone else.

Thanks so much ladies for your understanding of the Committee needing a little time to set up before the doors are open on meeting day. Doors will now be open at 9. 45 a.m.
