## OUT AND ABOUT

Some of our club ladies travelled to Mandurah for their inaugural lunch. We were welcomed by Past Zone Councillor, Mary Deakin and heard from Maryanne Maher, National Manager VIEW at The Smith Family, Lorraine Thomson, National President VIEW Clubs Australia as well as heartfelt speeches from representatives of the Greenfield and Mandurah Primary Schools. The Voices in Harmony Choir entertained us.

At the Western Suburbs 25<sup>th</sup> Birthday a student who had been helped by the Learning for Life Program spoke of how much the encouragement had meant to her as well as the financial support. We were entertained by the granddaughter of a VIEW member

Linda and Glenys joined other VIEW ladies at a meeting with the VIEW National President and National President VIEW Clubs.

## MEMBER PROFILE – Pam Delongis

I joined VIEW about 11 years ago after my neighbour Pauline, a founder member of our club, asked me if I'd be interested  
Having my family spread far and wide it was nice to have a new interest.

Helping children in need seemed like a great cause, while meeting other ladies and having speakers from all walks of life meant interesting and informative meetings. Add to that the camaraderie of the group, the social outings and the fundraising has been both fun and very rewarding.

I joined the committee after a couple of years as we were in need of a Treasurer. I'm very glad I did as it certainly gave me a better understanding of how VIEW supports disadvantaged children through The Smith Family.

I know the thought of the committee seems daunting to some, as it did for me, but joining it is really worthwhile and I would recommend it to any of our members.  
It has been great watching our membership grow, which has enabled us to sponsor more children over the years.

Now after a couple of hectic years, personally for me, it is great that I can get back to supporting our club more moving forward.
