THANK YOU!  
SO MUCH

Many thanks to Pam B and daughter for the lovely donation of honey at our May meeting. And all others who have contributed to the trade table

## Member Profile - Alicia Taylor

After retiring from teaching, my good friend and former colleague Joan Newnham, a member of the VIEW Development Committee invited me to join a group of ladies meeting at Coventry Markets with the aim of starting a new VIEW Club in the Morley/Dianella area.

At those early meetings I became aware of how VIEW clubs were supporting the Smith Family in W.A.

Many of the ladies at those initial meetings formed the first Bayswater Club's Committee. I served as Assistant Secretary for three years and participated in lots of fund raising activities such as fashion parades, as well as experiencing talks by some wonderful young students who benefitted from Smith Family support.

I am proud to see our club go from strength to strength since those early days. Each new member has brought new ideas and skills which have allowed us to now support 12 students in their schooling.

Thanks Bayswater City Club for the friendship, fun outings and many informative and entertaining guest speakers. – Alicia

Here are our inaugural members. Back Row Maureen, Denise T, Pauline, Pat, Maggie, Glenys, Carmel, Middle Row Linda, Carol P, Lorraine (Nat. Pres.), Lynn C and Alicia, Front Row Mary, Barb Colson (Dev Team Leader), Joan and Betty.

## **VALE – Mary Gadsden**

Pictured in the previous inaugural members photo front row.

Information received from Judy W

Just to let you know Little Mary passed away on the weekend. She was in her 90's and very frail.

As you know we were on the Board of Midland Women's Health Care when I was Chair, then Zonta and she took me to VIEW and the first anniversary luncheon, after which I joined VIEW. Her son Greg Ryan-Gadsden was The Smith Family CEO at the time as you know.

I visited her when she went into a home in Ascot and when her son took her up closer to him. I only got news from a Zontan friend Elaine

Mary's long service to women was quite profound.

I did her family tree and her lineage to the Boleyn sisters and King Henry 8th was very clear, being Anglo Indian from India when the English soldiers were encouraged to marry local women!!!
