## INTERNATIONAL WOMEN'S DAY

Jo B, Michelle, Glenys and Denise O  
flew the flag for BCVC at First Wave's IWD on Thursday 5<sup>th</sup> March.

It was a lovely day with fantastic speakers, tasty meal and lots of chitter chatter.

One of the day's guest speakers was Michelle Fyfe APM who spoke of her early difficult childhood, her extensive career with the Police Force, her time with the St John Ambulance Assoc and her current role as CEO of RAAFA Homes. She left us with a couple of quotes worth thinking about :

"Service to others is the rent you pay for your room here on Earth." Mahatma Gandhi

"Your light doesn't shine brighter if you blow someone else's out"

Glenys was lucky to take home the prize  
donated by Jessica Stojkovski MLA.

Unfortunately we do not have a photo of Jo B and Michelle at West Coast's IWD the previous day. Michelle was very busy in her ZC role, and again lots of raffles on offer, but unfortunately no winner from BCVC !

## MEMBER PROFILE - LYN GROVES

I joined Bayswater City VIEW Club ten years ago. Time flies and I certainly didn't realise I'd been a member of this great organization for so long. I met up with some lady friends from when my children were at primary school, which was also a while ago. They invited me to attend a meeting and it was a great opportunity to get involved in helping underprivileged children with their journey in education.

Since joining, our group has relocated three times to accommodate the increase in numbers. We must be doing something right and suitable to many.

Raising funds for students at risk of missing out is very intrinsically rewarding and we get to hear of some of the great success stories and the impact the support has given them and their families along the way. We continually fundraise in small but effective ways and hold several larger fundraising events during the year. Participation is voluntary and no one is expected to support all functions.

I am privileged to enjoy the friendships made and the many interesting and informative speakers sourced by our team. Friendship outings add another depth to our contacts as we have more time to chat with other members and have a better understanding of their lives. All activities I have attended with and without partners have been lots of fun.

The committee work very hard to keep everyone engaged and on track with our goals each year. I have participated in one of these roles and offer to support most events when I am not gallivanting somewhere in W.A., Australia or overseas.

I have had the pleasure of attending three National Conventions to date and all have been wonderful experiences. Travelling with friends and joining in many activities, meeting VIEW members from many states. I enjoyed extending all visits to explore outside the Conventions.

I thoroughly enjoy my time with VIEW and will continue as long as possible, travel permitting!

All the best to everyone in 2026 – Lyn Groves.
