OUR SEPTEMBER SPEAKER

Sarah Reardon from College of Electrical training – Big Sister project, spoke to us about the pre-apprenticeship mentorship program, moving on to apprenticeships for women, noting some of the challenges women face in this and many trade areas of employment. The project has already nearly achieved its two year project goal in one year. Operates in WA and SA. Reporting program finishes August next year, but courses will continue.

Seen at the Blue Illusion National Shopping Day Thursday 17th Sept. 2026, in support of The Smith Family, two of our members **Lyn G and Bev A** taking advantage of a shopping opportunity. Blue Illusion donated 7% of sales in store and on line to The Smith Family

DON'T FORGET

The time for Resolution Submissions is fast approaching for the 2027 Convention. Closing date is 27th November, 2026. WA has a good record of getting submissions to the Convention stage.

Just a reminder to consider taking a position on our club committee. Some committee members will be retiring at the next election and for the club to continue it needs a committee.

Positions can be shared with another person and help is available to learn a role. Speak to a committee member about how you can do your bit for our club.

In case of an emergency please put a contact number on the back of your name badge

Always check the noticeboard for upcoming outings and register your interest.

Member Profile – Judy Willson

I was taken to the VIEW 1st birthday bash by Mary Gadsden (who recently passed away) whose son was CEO of The Smith Family. In about 2013 I had first attended a meeting at the Bayswater Pub. I joined. Mary and I had been involved in a Midland Women's Health Care support centre where I had been Chairperson and on their board for 5 years. Mary had also introduced me to Zonta, which is a service group similar to Lions Club, based in New York USA, who do excellent work with women of disadvantaged communities in Africa who suffer with early, and multiple childbirth problems. Mary was such an advocate for women's rights. So I welcomed joining VIEW. Being a local support group for the Smith Family in Australia, it really hit a chord. My grandson in a difficult circumstance, was taken on by VIEW in his high school years.

I have 2 sons in W.A. with one daughter's family in Victoria and another in Indianapolis US. I was a nurse and now "just a retiree."

I have done Family Tree Research since 1990 and still enjoy "the chase", currently in the middle of doing another commission.

What a pleasure that has been for me, being new to the area and finding such compatible ladies. From 20 members then to the great group of 50 plus ladies now with such a good variety of interesting women.

I do look forward to our meetings and such varied speakers and marvel at our achievements in our many students that we have assisted.

Well done, Baywater City VIEW Club's members and the valued committee who work so well so we can all maintain our pleasurable connection and working together for a great purpose.

Food donation for schools still needed

Can you help? Nonperishable food items are always needed to help disadvantaged families at one school we support. If you are able, please bring one tin/packet/box along to any of our monthly meetings.

This Anti-Poverty Week 11 – 17 October the community is being called upon to recognise the often hidden cost of education and the impact it can have on children's participation, confidence and future opportunities.

Bayswater City VIEW Club helps children through The Smith Family's Learning for Life educational support program, which provides families with long term educational, financial and personal assistance so that children have all the essentials needed to make the most of their education.

View National Convention will be held at the Nyhaal Banyul Geelong Convention Centre from 3-5 Sept. 2027

Currently our club supports 12 *Learning for Life* Students - two of whom will be completing year twelve this year. Six of our ladies write to individual students and are able to pass onto our meeting any correspondence received and the students' progress and profiles. If an opportunity comes up next year to write to a new student, please consider doing this. It is a great way to pass on our best wishes, learn about who we are supporting and their progress

VALE We were saddened to hear of the passing of one of our long standing members - Coral Long, who joined us on 11.11.2014. In her member profile Coral said "the friendships I have made have been so valuable and have become an important part of my life, so a big thank you to the VIEW Club for allowing me to be a member."
