25 YEARS

WA WESTERN SUBURBS VIEW CLUB

Today we are celebrating 25 years of
WA Western Suburbs View Club

TODAY WE CELEBRATE 25 YEARS

Over the years, WSVCL has had many faces.

It started as an evening group in 2001 at a restaurant in Subiaco. By 2004, as many of the members were still working and the venue was no longer suitable for its meetings, the club went into recess.

In 2005, Paula Rushbrook and a core of members saw the value of this club and the worthwhile contribution they were making with The Smith Family, so in 2005, they reformed as Subi Day View Club, meeting in a community centre in Subiaco.

By 2010-2011, the number of members had increased, and the venue was no longer suitable; hence the move to Mt Claremont library, our current home. At this time, it was decided to change the name to embrace more of the Western corridor of Perth. So our current name, WA Western Suburbs View Club, was established.

Our club has maintained a consistent membership, 64 current members, and our community involvement with the Smith Family via donations and Roseworth - Child and Children Centre has been ongoing.

Over the years, our Outings Officers have arranged unique adventures, truly embracing the E for education in View, giving our members numerous experiences, such as a train trip to Toodyay and visits to various museums and art galleries.

Our speakers over the years have been varied, expanding our knowledge of the world and community. Presentations ranging from astronomy to Sudoku, the legal system and other voluntary organisations.

Committees and Presidents of WA WSVCL have changed over the years, but it is the members, the friends, and acceptance that have made our club so successful. We are proud to be one of the oldest View Clubs in WA.

Congratulations to all on 25 successful years.
