WESTERN SUBURBS WA

JULY 2026

APRIL MEETING

Members heard a very interesting and in-depth presentation by Mr Carrick Robinson, CEO Perth Children's Hospital Foundation. He detailed his career as well as how funds were raised by the foundation and then allocated for the benefit of the children of WA in need of medical care. He also outlined the story behind the new Hospice in Allen Park, from inception to completion. Morning tea and our general meeting followed Mr Carrick's presentation.

MARITIME MUSEUM

on May 13th club members visited the Maritime Museum in Fremantle. Our guide was very knowledgeable and shared stories about many of the exhibits with us.

After our tour members enjoyed the beautiful day, delicious lunch and ocean views of the Gage Roads Brewery.

VOLUNTEER WEEK

On 22 May members promoted volunteering with the VIEW club and The Smith Family by manning a booth at Inaloo Shopping Centre. Ros and Frith provided a video and brochures to hand out to interested passers-by. Thank you to the members who helped people the booth.

Professor Nick Beeching, a specialist in infectious diseases, was our guest speaker at the May meeting. He gave a very interesting and informative talk about how to stay healthy when travelling...and what you can do if you don't. We all got some great tips for our trips! Nick's presentation was followed by morning tea and our monthly meeting. Adinah Zola received her 10 year service badge, and new member badges were given to Deb Rogers, Christine Williams, Rosemary Faulkner and Margaret McPherson. Jalaena Gray and Brenda Griffiths will receive their badges at the next meeting they are able to attend. Congratulations to all!
