

Charity Gifts 2026

Nothing feels better than giving a gift that really makes an impact

When you choose one of our Joyspreader Gifts you'll get to share the joy of making a real, lasting difference to a child in need. Your kindness will empower them to get the best out of their education and give them the best opportunity to break the cycle of poverty.

Every child deserves the opportunity to become their best. The Smith Family's charity gift collection directly aids in providing essential educational resources and opportunities to Australian children in need. By choosing to gift you're contributing to the brighter futures of children who dream of a better tomorrow.

Thank You

We appreciate your commitment to helping disadvantaged Australian children through The Smith Family. Today, there are 1.2m Australian children and young people living in poverty. Last year we helped more than 226,365 Australian children and their families.

At the end of the year VIEW Clubs may find that they have excess funds in their Club bank account. We encourage clubs to use these funds to sponsor a student through The Smith Family's *Learning for Life* program, make a donation to The Smith Family or purchase one of our Joyspreader gifts.

VIEW CAN SPONSOR A DISADVANTAGED AUSTRALIAN STUDENT

By sponsoring a *Learning for Life* student, you will be showing them that someone they have not met, cares about their future. Many of our students have told us how much this inspires and encourages them. Your sponsorship payments provide financial support for school essentials and access to one of our Family Partnerships Coordinators, who connects the students with out of school educational opportunities. You can help disadvantaged children get more out of their education for a cost of:

Sponsorship	
School (Kindergarten-YR 10)	\$696
Senior Secondary (Year 11 & 12)	\$984

To Sponsor a student or purchase one of the Joyspreader Gifts complete the VIEW Club 2026 EFT or Cheque Form and return to National Office.

Please note that Joyspreaders Gifts are unable to be directed to specific students on the *Learning for Life* program.
