

The 'VOICE OF VIEW'

YOU ARE NOW INVITED TO

Select motions for submission as potential resolutions 2022-23. Attached you will find the 'Voice of VIEW' form which seeks information on the issue/motion your Club believes is most important to members of VIEW.

THE ULTIMATE GOAL OF VIEW RESOLUTIONS IS TO RAISE ISSUES OF LOCAL AND NATIONAL IMPORTANCE THAT MATTER TO WOMEN.

WHY IS THIS IMPORTANT

The 'Voice of VIEW' is an important aspect of VIEW Clubs of Australia. Through the national Resolution process, we are able to collectively identify and articulate issues that are considered important for influencing social change in Australia.

Resolutions help to promote and raise awareness of VIEW amongst the public, particularly communicating to prospective members that we are a "thinking" women's organisation.

VIEW dedicate one resolution to Education, Children and/or the interests of Women. Many of these resolutions have related to current topical issues such as an equitable education for all children, or domestic violence, etc. At the same time they reflect a strong, long term commitment to social justice.

As the largest community sponsor of Smith Family *LfL* students, VIEW continues to *make a difference* to the lives of financially disadvantaged children's education.

WHAT TO CONSIDER

Clubs are reminded to consider the following criteria when selecting the successful motions:

- Does it further the cause of VIEW – does it speak to the vision and mission?
- Are the issues current and of interest to the broader community?
- Is the issue of national significance and worthy of national debate?

VIEW Vision – *"Women creating and leading a more inclusive Australian society"*.

VIEW Mission – *"As a leading voice and valued support network for women VIEW actively raises awareness of, and participates in, the work of The Smith Family"*.
