1. WELCOM	E
	National President Anne-Louise O'Connor welcomed all to the National Council meeting via Zoom.
	Anne-Louise made a special welcome to National Councillor Brenda Caligeros who has stepped into the role for the NSW Northern Rivers region (Area NJ). She also thanked Brenda for finding a Zone Councillor to take her place and thanked Kathie Diskin for assisting in the Advisor role last year.
	Anne-Louise spoke of VIEW's 60 <sup>th</sup> Anniversary theme - in 2020 "Celebrating 60 years of Strength and Support", noting that notwithstanding the challenges faced last year, VIEW members lived up to its theme. However, with many 60 <sup>th</sup> Anniversary events cancelled there was not a great deal lot of Celebrating!
	She advised that VIEW will retain this theme for 2021 by extending <b>Celebrations</b> to"60+ years of Strength and Support".
	Anne-Louise commented that the Executive were heartened by the way VIEW members "stayed connected" with each other during 2020 whether through phone calls, emails, Zoom meetings and newsletters – all of these, sustaining members during their isolation.

	Members also adopted innovative and modern ways of fundraising, opened new clubs and increased our support of <i>Learning for Life</i> students!	
	A number of VIEW clubs throughout Australia, on resuming their meetings, have been attracting new members, which is great news!	
	Anne-Louise encouraged all VIEW Clubs in 2021 to make a special effort to welcome new members who are keen to connect with others in the community.	
	We know there will be women in all Areas looking to connect with others in the community, and to join an organisation such as VIEW which offers women a supportive network, where women build lasting friendships and are connected, by the common purpose, to support The Smith Family and make a difference to Australian children in need. In other words VIEW members: <i>Make Connections, While making a difference!</i>	
	Anne-Louise encouraged the Councillors and all clubs to:	
	Keep their VIEW Club's webpages up to date with correct contact details and to actively use social media such as Facebook to promote their recommenced Club events/activities; as well as upcoming Area events.	
	Anne-Louise concluded by reminding the National Council that succession planning is key to the organisation's future. All members are encouraged to consider taking on a Club Committee role or "step up" to a Zone or National Councillor role – all of which are fun and rewarding roles.	
2. MINUTES	AND BUSINESS ARISING	
	Minutes - National Council ratified the minutes of the October 2020 meeting.	
	Moved Marg Woodhouse Seconded Evelyn Berg	
	Accepted Unanimously	
3. NATIONAL COUNCIL LEARNING FOR LIFE STUDENT – UPDATE		
	National Councillor Rosemary Day gave an update on National Council sponsored <i>Learning for Life</i> Student – Jessica. Her recent student profile was shared with the National Council.	
4. SUB-CON	IMITTEES	
4.1 Resolutions	Beryl Pike reported that by 27 November 2020, thirty one (31) motions had been received from Clubs and members. These were revised by the Resolutions Subcommittee, reworded as necessary after consultation with relevant clubs, and formatted, ready for National Council to review.	
	At the National Council meeting, by process of elimination, these submissions were voted on with three selected to go forward as resolutions for voting at club level as well as at National Convention in September.	
	The three selected resolutions include issues of national importance involving women, children and education. Briefly the topics are:	
	1. Safe affordable housing for women and children	
	VIEW Clubs of Australia call on State and Federal governments to increase funding and resources to provide for an increase in public and social housing; to meet the desperate shortage of accommodation to assist women and children in crisis and provide safe, affordable housing for the homeless and victims of domestic violence.	

	2. Better support for students to prepare for their post-school futures
	VIEW Clubs of Australia call on Australian governments to ensure all young people have access to high quality, targeted careers education in primary and secondary schools that help them to prepare for the future world of work, and plan meaningful careers.
	3. Reduce the use of Plastic to assist our environment nationally
	VIEW Clubs of Australia call on State and Federal Government to implement a plan to reduce unnecessary plastic packaging in all areas of retail manufacturing and ban single use plastic bags.
	These three resolutions will be forwarded to clubs in March for debate together with voting papers including the full title and wording of each, with its rationale, together with arguments for and against.
	The resolutions will also be available on the VIEW website ( <u>http://view.org.au/resources/forms/</u> ) or through your Zone or National Councillor.
	Clubs are asked to return their Tally Sheets to National Office by <u>Friday</u> <u>27 August 2021</u> . Individual voting papers do not need to be forwarded.
	Clubs are encouraged to set aside one or two meetings to enable informed discussion and/or debate and to encourage members to vote responsibly with preferably a "yes" or "no" vote and not abstain. A number of clubs invite a local school debating team to attend their meeting to debate one of the resolutions, which is a good a way to involve members in the resolution process. This may depend on COVID restrictions at the time.
	Resolutions debate also takes place on Conference Day 2 of National Convention, Saturday 11 September in Adelaide, South Australia, giving attending members the opportunity to vote after hearing the informed debate.
	Members are reminded that the Resolution Debate (either at Club level or at National Convention) is a significant part of the <i>Voice</i> of VIEW. Members are able to raise their voice on issues of national significance.
4.2 External Relations	Maryanne Maher spoke to papers circulated prior to the meeting advising that a tender process for the three year contract for the National Women's Alliances opened on 8 February. The Office for Women has advised that the tender process will include a National Alliance for Women with Disability.
	The model will continue to be six Alliances, which means that Equality Rights Alliance (ERA) and economic Security for Women (eS4W) are being asked to compete for a single funding allocation. The rationale for the decision is that ERA and eS4W are considered to have considerable overlap in their areas of work and there is no appetite to increase funding to the program due to the effects of COVID19 on the economy.
	VIEW is a member of both ERA and eS4W.
	ERA and eS4W have very different structures, so a simple merger is unlikely.
	The six Alliances will cover:
	<ul> <li>women's safety</li> </ul>
	<ul> <li>women's economic security and leadership</li> </ul>
	Australian women from culturally and linguistically diverse backgrounds

	Aboriginal and Torres Strait Islander women
	<ul> <li>women living in rural, regional and remote areas of Australia</li> </ul>
	Australian women living with disability.
	The grant round is an open process, so other organisations may also apply for the funding. The process closes on 5 March.
	<b>Economic Security for Women (eS4W)</b> Round Table "Boosting Economic Security for all women living in Australia" will be held on Monday 22 February 2021 at Pacific Bay Resort Coffs Harbour. VIEW members and other women's networks in the Coffs Harbour regional area are invited to participate in discussing policy recommendations to boost women's economic security post COVID. This session will be followed by a Q&A and networking event.
	eS4W have released two discussion papers and contributed to the Inquiry into Australian Government's response to the COVID-19 pandemic.
	<ul> <li>How women owned businesses impact women's economic security (February 2020) a report and recommendations from discussions at roundtables and online survey in conjunction with partner organisations</li> <li>The Gendered Labour Markets (November 2020) – analysis and recommendations on specific economic policy changes that can close the gap on the imbalances in the labour market.</li> <li>Inquiry into the Australian Government's response to the COVID-19 pandemic. The committee tabled its first interim report on 9 December 2020. A copy of can be accessed on the committee website via the following link: https://www.aph.gov.au/Parliamentary_Business/Committees/Senate/COVID- 19/COVID19/Interim_Report.</li> </ul>
	Discussion papers will be available on the website with these minutes.
4.3	National President Anne-Louise O'Connor spoke to the paper circulated prior to the meeting.
VIEW in the	
Community incl Events,	Event Notification
New Clubs	She noted that 2021 has been approached with cautious optimism. Many Clubs have commenced planning events/activities for their clubs including fundraising events. The array of enticing activities signifies vitality and life within our VIEW clubs and this certainly leads to healthy development.
	International Women's Day (IWD) functions are being organised (albeit in reduced numbers) across Australia at club and zone levels. Clubs are asked to send through details of any IWD events in the pipeline, to National Office.
	Clubs are reminded to submit notifications of forthcoming events to PNVP Pat McRae ( <u>pat.mcrae@bigpond.com</u> ). These are recorded in the Events Register for insurance purposes. The appropriate VIEW Event/Insurance in Residence Form is available on our VIEW website <u>http://view.org.au/resources/forms.</u>
	Articles in local media continue to portray the coverage VIEW is receiving in many community publications. High quality photographs together with succinct reports promoting our members activities, events and our local support of the work for The Smith Family are powerful tools to promote VIEW to others and increase our profile. Members are reminded where possible to use the Media Releases provided to clubs. The current media releases are:
	1. "New Year New You - Join VIEW" and

	<ol><li>"VIEW to pledge support on International Women's Day".</li></ol>
	Both Media Releases are available on the VIEW website under the Resources tab.
	If preparing media Clubs are also encouraged to peruse the 60+ Key Messages also available on the VIEW website.
	Christmas Wrapping
	COVID restrictions saw a reduction on the number of VIEW Clubs able to participate in Christmas Wrapping in 2020.
	Thank you to all members who were able to conduct Christmas Wrapping at local shopping centres providing a valuable service, promoting VIEW Clubs to prospective members, and raising funds.
	Please send relevant details through to ( <u>pat.mcrae@bigpond.com</u> ). So that we are able to record the great contribution you have <u>all</u> made.
	COVID-19 and VIEW Clubs
	COVID will continue to play a part in events/activities and fundraisers. VIEW Clubs are reminded to follow the Guidelines and Statement of Responsibility for Clubs/Members as well as Government advice when organising events/activities or fundraisers.
	Note: Statement of Responsibility for Clubs/Members has been updated to reflect changes in registering attendance for meetings at venues and guidance as to safe practice.
	If a Club's meeting is held in an RSL, Sports Clubs etc. which requires members to register their details or QR Code upon arrival or prior to admittance, then there is no need for the VIEW Club to request members to register their attendance again for COVID purposes.
	Clubs meeting in local church halls, etc will still need to complete an Event Attendance Register, which should be kept for 28 days after the event. These Event Attendance registers then should be securely destroyed.
	New Clubs
	<b>Maryborough VIEW Club, QLD –</b> this much anticipated inaugural was held on Friday 27 November 2020. Maryborough is the first club to open in Queensland in 10 years. While the Executive were unable to attend (due to COVID), Alan Le May General Manager Queensland, The Smith Family was able to attend and pass on the Executive's best wishes.
4.4	National Vice President Jo Gray spoke to a paper circulated prior to the meeting.
Promoting our Brand/ Speaker's Bureau	We are hopeful that 2021 will provide the Speakers Bureau with plenty of opportunities to promote and profile VIEW and our connection with The Smith Family, to other organisations. Our aim is always to encourage others to support The Smith Family, to join VIEW and become involved in our work.
	The Speakers Bureau speech has once again been refreshed and updated and will be available on request. It is important to have up to date information and statistics to fully engage the audience and encourage their support. Speakers, requiring the updated speech, are asked to return their USB to PNP Gwen Wilton who will download the new speech and return. (Please return to 12 Antill Street, Picton NSW 2571)

Zone Councillors, can if they wish, also present this presentation. They should contact their National Councillor or National Office for a copy.
6.8 1st Delegates Meeting PowerPoint	Maryanne briefly spoke about the 1 <sup>st</sup> Delegates Meeting PowerPoint which has been updated for 2021. This will be emailed to all Councillors/Advisors for use at the 1 <sup>st</sup> Delegates meetings to be held in March. Councillors are advised that this should be sent (PDF) to Club Delegates/Presidents for pre-reading. Freeing up valuable discussion time.
6.9 Councillor expenses	Olga reminded National Councillors as to claimable expenses and key dates for 2021. Councillors were provided an updated Expense Claim Form and Cashbook for 2021.
6.10 Patron	At the National Council Meeting a paper was presented regarding the appointment of a VIEW Patron. Anne-Louise presented the exciting news that Her Excellency Mrs Hurley had
	accepted VIEW Club's invitation to be VIEW Clubs of Australia's Patron.
	Mrs Hurley's background is in education, being a former school teacher and having synergy with our work and what VIEW does. She is passionate about Australian Children's education.

The Governor-General and Mrs Hurley take on patronages that are close to their hearts enabling them to advocate on behalf of these organisations. They are great ambassadors, excellent networkers and connectors. They have a significant program of engagement throughout Australia and bring a contemporary and genuine style to the office.

We believe that adding VIEW to Mrs Hurley's list of patronages, would give our organisation significant notoriety and being similar to those already listed we would be able to demonstrate:

- a clear focus on relevant issues or interests of national significance
- a significant record of achievement over the last 60 years; and
- sound financial management and strong governance arrangements.

Anne-Louise explained the history of events in the lead up and resulting in an approach being made to Mrs. Hurley.

#### Background:

In 2014 – National Council endorsed in principle that VIEW Clubs of Australia seek to engage a Patron to assist in the continuing growth of the organisation by raising VIEW Clubs' profile.

In 2015 – (Clubs and members were encouraged to submit names) National Council selected a shortlist of five prominent women which were then approved by The Smith Family Board.

In 2016, a formal approach was made to each of the selected candidates in the order as selected by National Council. National Council was requested to keep names of candidates in confidence.

In 2017 Maryanne Maher advised that the list of five women identified by the 2014-15 National Council as suitable VIEW Patrons had all been approached. Unfortunately, not one of the five listed had accepted the invitation. National Council then agreed with the recommendation of the Executive and Future of VIEW Working Group, that the matter of a VIEW Patron be revisited in two years.

In 2020 at the VIEW 60th Anniversary reception held at Government House, VIEW National President had an informal conversation with Mrs Hurley in regard to the search for a Patron of VIEW, resulting in Mrs. Hurley expressing interest. This informal conversation was then raised with National Council at their October Zoom meeting. National Council responded favourably to a formal approach being made to Her Excellency, Mrs Hurley

The proposal of Her Excellency Mrs Hurley as VIEW Patron was then approved by The Smith Family Board.

A formal invitation was sent to Her Excellency Mrs Hurley inviting her to become the Patron of VIEW Clubs of Australia.

Her Excellency Mrs Hurley was delighted to accept our invitation commencing March 2021.

Following the provision of the background information,

Marg Woodhouse moved that Her Excellency, Mrs Hurley be ratified as VIEW Clubs of Australia's Patron from February 2021. The term of Patronage being determined by the Patron's term in office which is expected until Mid-2024.

Seconded Evelyn Berg

Accepted Unanimously

	Clubs to receive formal notification of this in the March mailout

	VIEW Cashbook (hardcopy)	
	National Office understands that not all Treasurers will wish to use the electronic cashbook and prefer to use the hardcopy version. Previously all clubs received a hard copy cashbook regardless of the Treasurer's wish to use the electronic version. Cashbook Training via Zoom – during March	Last year, Zoom training was trialled in Victoria for Club Treasurers/Assistant Treasurers in Areas VA and VC. This training was well received providing Club Treasurer's more information on how to complete their Cashbook (Electronic or hard copy) as well as more insight into the Audit process.	
2021	Following on from this successful trial, online Cashbook training sessions will be provided in March for all Club Treasurer's/Assistant Treasurer's and other interested Committee members. Dates and times have been emailed to Clubs	

	and Treasurers. If you are interested please ask your Club Secretary and/or Treasurer for more information.		
Contacting National Office	Please note that the best way to contact National Office is by sending an email to view@thesmithfamily.com.au. If you phone and leave a message, it may not be retrieved for several days if the person you are calling is working from home. The mailbox however is monitored by both Linda and Olga.		
VIEW and The Smith Family Logo usage	It has come to the attention of VIEW National Office that the VIEW Club logo is being used incorrectly. The logo consists of a symbol "circle of women" and words which should never be decoupled, reshaped or recoloured. If a club would like to use a VIEW Club logo they are requested to contact National Office to receive official versions for their use.		
	VIEW Clubs are also reminded that they should not use The Smith Family logo for any promotion without requesting permission through National Office. National Office will then seek permission from The Smith Family communications team.		
	Clubs are encouraged to use the words "A valued part of The Smith Family" in place of using The Smith Family logo.		
	Clubs can also request a VIEW letterhead template in place of using pre-printed hardcopy VIEW letterhead if they so desire. By using this template letters/correspondence are ready to email quickly and do not require printing.		
2022 Celebrating The Smith Family's Centenary - 100 years!	The Smith Family will celebrate 100 years in 2022 and are busy planning their celebrations which will be shared with VIEW Clubs later this year.		
	However, we know Clubs like to start planning early so you may like to choose a month in 2022 – for your club to celebrate in style – and stay tuned!		
8. Learning	and Development		
Caitlin Dickon Media Advisor	Caitlin provided training to National Council on VIEW in the media. She spoke about what makes a good story and how to be an effective communicator.		
Leonie Green Head of State & Territory Operations	Leonie Green provided an update on The Smith Family coping with COVID-19 including families and staff. She also spoke about the Growing Careers Program which was funded in the federal budget October 2020.		
	Funding from the Commonwealth Government has enabled an exciting opportunity – the Growing Careers Project. Over a four year period, The Smith Family will work in close collaboration with selected schools to deliver this project.		
	The Growing Careers Project will create opportunities for many students to participate in multiple career programs and activities across their secondary school years to acquire the skills, knowledge, attitudes and behaviours they need to thrive in their lives beyond school. This project will significantly expand the delivery of these programs and activities in our partner schools nationwide.		
	Overall, the project aims to:		
	<ol> <li>Support students facing disadvantage to complete Year 12 and increase their career prospects</li> </ol>		
	2. Test and evaluate a new strategic approach in providing careers learning for young people over multiple years while they are still at school.
