

Instructions

Resource Activity Presentation to teachers involved in Work Inspiration

Resource Includes Instructions and PowerPoint Presentation

Learning Outcome To inform teachers who may be involved in Work Inspiration (or whose students may be involved).

Outline The PowerPoint Presentation includes an outline of Work Inspiration with a summary of the information provided in the Factsheets included in this Career Development Toolkit.

Provides link/URL to Work Inspiration website videos.

User Schools

Timing Pre Work Inspiration but could also be used post Work Inspiration. Short presentation – no longer than 15 minutes.

Procedure This Presentation can be delivered by careers staff or the Host Employer/Industry or the Partnership Broker/school contact. It can be used:

- By the Work Inspiration organising teacher for their own information
- To inform teachers from other faculties who may be involved in Work Inspiration (or whose students may be involved).

Could also be sent as a PDF for staff to view independently.
